## 2018 KLAA Volleyball All-Conference Player Profiles

**A'nya Griffin**                      **Senior**                      **Libero**                      **Belleville Tigers**

**Statistics:**

**Coach's Comments:** A'nya is the smartest player I have ever coached. Her court awareness is beyond her years. She will be missed next year!

**Maddison Bennett**                      **Senior**                      **Setter**                      **Belleville Tigers**

**Statistics:**

**Coach's Comments:** Maddy is an amazing setter with some of the softest hands in the league. She knows the game very well and it will be hard to replace her next year!

**Celia Cullen**                      **Junior**                      **Setter**                      **Brighton Bulldogs**

**Statistics:** Assists: 405, 4.9/set. Blocking: 34 BS, 42 BA. Serving: 148 Aces, 1.7 Aces to Error, 86.5%, Attack: .501 Hitting%, 255 Kills, 3 Kills/Set

**Coach's Comments:** Celia is one of the best volleyball players in the state. She is a leader on the court and is a fierce competitor. She practices like no other volleyball player I have ever coached. She can set from anywhere on the court and while trained primarily as a setter, she is now a game changing attacker from the right side. We run a 6-2, which lowers her setting stats but allows her shine as an attacker. One conference match this season she recorded 20-Aces and she even has the ability to change/take over a match/set from behind the serving line. Celia is a great leader, volleyball player, athlete, and student!!!

**Analise Berry**                      **Senior**                      **Libero**                      **Brighton Bulldogs**

**Statistics:** Digging: 390 Digs, 4.4 Digs/Set, 10.9 Digs/Match. Serving: 41 Aces, 94%. Ball Handling: 167 Assists, .7/Set. Serve Receive: 332 R, 22 R/E, 3.8 R/S, 9.5 R/M

**Coach's Comments:** Anna is possibly the most underrated Libero in our region. She was voted by her peers as our Team Captain and what she does on the court and from behind the serving line is incredible. She is a foundation player. She controls the ball very well when serving and is great at keeping our opponents out of system. Her digging and passing skills are the foundation on which our offense executes. Anna is our second-best server and is averaging 11 Digs per match and just under 10 Serve Receptions per match. She is a great teammate and outstanding student athlete.

**Madison Opre**                      **Senior**                      **Outside Hitter**                      **Brighton Bulldogs**

**Statistics:** Attacking: 204 Kills, 2.3 K/S, .320 Hitting. Blocking: 17 BS, 24 BA,

**Coach's Comments:** Madison is a great leader both on and off the court. She is like a business CEO and is a great asset to this team. She plays opposite of Celia and is our "go to" attacker when we need a kill with Celia setting. She is hitting .322 with over 200 Kills this season, which is outstanding for a right-side attacker. She has a high volleyball IQ and forces our opponents to stay honest on defense. She never gets rattled and has been a great spokesperson and representative for our team. She is also active in student government and honors.

**Holly Stefanek**                      **Senior**                      **Outside Hitter**                      **Canton Chiefs**

**Statistics:** 185 kills this season, 35 Aces and 25 blocks.

**Coach's Comments:**

**Lillian Grantham                      Junior                      Setter                      Dearborn Pioneers**

**Statistics:** 239 in play 58 Aces, 30 errors = 238.91 overall this season Sets: 1,116, 356 Assist, 26 errors

**Coach's Comments:** Lillian is a second year varsity player. She is a great athlete and Captain. She is one of our strongest servers on the team. She has a great voice on the court and a true heart for the game. She has proven her hard work and dedication and truly deserves this award.

**T'yanna Rutherford                      Junior                      Outside Hitter                      Dearborn Pioneers**

**Statistics:** Attack: 373-Play, 142-Kills, 92-errors = 91.67%, Digs: 260

**Coach's Comments:** T'yanna is a second year varsity player. She is one girl who would go for any ball that was impossible to dig and make it happen and get it over the net or playable for her team to make an attempt for another contact. She hustles and works really hard. When she is in middle back and a ball is tipped in the left front inside the ten foot line she is there to cover her teammates so quick that you didn't realize she moved from middle back. She does not have height, but can jump like the floor was lava. She is a true athlete and makes a huge impact on the court.

**Ayah Zaban                                      Senior                                      Setter                                      Fordson Tractors**

**Statistics:** Serving % 91.3, Aces 3, Kills 4, Blocks 7, Assists 175,

**Coach's Comments:** Ayah is a 2 year varsity player and a team captain. She is a 4 sport athlete who plays Volleyball, Soccer, Basketball and Track at Fordson. Winning only one league contest this season, Ayah never gave up and helped to inspire her teammates during our first season in the KLAA. She is involved with Unicef, Student Government, Link Leader and National Honors Society while maintaining a 3.98 GPA.

**Megan Acs                                      Senior                                      Outside Hitter                                      Hartland Eagles**

**Statistics:** 275 kills, 60 aces, 15 blocks, 348 digs

**Coach's Comments:** Megan is a versatile athlete who is extremely competitive. This is Megan's fourth year on varsity and her third year as a captain for the team. She is a leader on and off the court. Megan plans to continue to play volleyball after graduation at Northwood University.

**Gabi Skinner                                      Senior                                      Middle Hitter                                      Hartland Eagles**

**Statistics:** 195 kills, 25 aces, and 73 blocks

**Coach's Comments:** Gabi is a strong hitter and is a great competitor. She knows how to read her opponents by constantly analyzing the plays which makes her a better player as a result. She demands greatness from herself and her teammates, and strives to achieve excellence both on and off the court.

**Sydney Ramonaitis                      Senior                      Outside Hitter                      Howell Highlanders**

**Statistics:** 96.9% serve with 38 aces. Led team with 480 serve receive attempts and a pass rating of 2.04. Team leader with 339 digs.

**Coach's Comments:** The senior co-captain helped lead the team on and off the court. Sydney fought through a significant injury sustained during the summer to be able to play her senior year. As a first year libero, and missing the beginning part of the season with her injury, Sydney consistently was one of the hardest workers on the court. Her stats are a reflection of her hard work and determination.

**Amy Henderson                      Senior                      Outside Hitter                      Howell Highlanders**

**Statistics:** Team high of 178 kills. 19 blocks, 156 digs

**Coach's Comments:** This senior co-captain was a tremendous leader on and off the court. Regardless of the role she had during a match, Amy was a leader and encourager to her teammates. She set a tremendous example for younger players throughout the program. Her effort and attitude are difficult to match.

As a senior captain, she has helped lead our team to one of our best seasons in recent memory.

**Jamia Murray                              Sophomore                              Outside Hitter                      Livonia Franklin Patriots**

**Coach's Comments:** Jamia Murray is one of the most athletic girls I have ever had the privilege to coach. Her athletic ability allows her to run down balls other players wouldn't have a chance to get. Her outstanding offensive abilities and defensive abilities make her a full rounded player, and one of the most important pieces of our team.

**Kaitlyn Merrill                              Junior                              Outside Hitter                      Livonia Franklin Patriots**

**Statistics:** 62 aces, 145 kills, 292 receptions, 66 blocks, 342 digs

**Coach's Comments:** Sedona is a six rotation player and reliable all-around player. She can be counted on for the tough dig from the back row, the big block in the front row, the sure pass on serve reception, and the strong swing from the middle. She helped lead the Lady Spartans to a 30-8-4 overall record.

**Hannah Grant                      Senior                      Libero                      Northville Mustangs**

Jaeda has transformed herself from a starting middle in previous seasons (she played as middle when Novi won their state championships) to a dynamic 6 rotation starting outside hitter. In every match, Jaeda is our impact player whether it be hitting, serving, defense or leadership. Jaeda brings it every single practice and match. I think the fact that she is a sophomore and in the top 30 in the state for digs shows how talented she is. She is extremely versatile in all of the libero facets including defense, out of system setting, serving, serve receive and leadership.
