Formed in 2008, the Kensington Lakes Activities Association (KLAA) was the combination of two separate athletic leagues, the Western Lakes Activities Association and the Kensington Valley Conference. The KLAA has been a competitive and successful league generating many Regional, Divisional and State championship teams over the past 8 years. This past spring, ten of the KLAA schools withdrew from the association for the 2017-2018 school year, nine of which are forming their own athletic league. The remaining fourteen KLAA schools include: Brighton, Canton, Grand Blanc, Hartland, Howell, Livonia Churchill, Livonia Franklin, Livonia Stevenson, Northville, Novi, Plymouth, Salem, Wayne Memorial, and Westland John Glenn. These fourteen schools are highly competitive and are committed to the KLAA for the 2017-2018 school year.

In an effort to increase the number of schools in the KLAA for the 2018-2019 school year, the KLAA is accepting applications from interested high schools. The criteria that the KLAA will consider for incoming high schools will include:

- Enrollment
- Geography
- Number of athletic and activity offerings
- Quality of athletic programs
- Quality and quantity of facilities

Any interested high school or school district must submit a letter of interest for the KLAA application to the President of the KLAA and the principal of Livonia Churchill High School, Mr. Keith McDonald, no later than December 15, 2016. The timeline for consideration and steps for approval will include:
