

2018-2019 KLAA West Division Boys Basketball All-Conference Selections

B. Artis White **5'11** **SR** **Canton**

4 year starter who has grown into a great two way player and without question one of the best guards in the state. Is an outstanding person and teammate and has been a pleasure to coach.

Vinson Sigmon **5'11** **SR** **Canton**

3 year starter who has been an elite defender for all 3 years. His ability to handle the ball and score in different ways has been a great asset, is a great person and is our team leader.

Kendall Perkins **6'4** **SR** **Canton**

Kendall has really come on as of late and has been a big part of our team in scoring and rebounding. He is an outstanding young man with a bright future.

Ben Stesiak **5'11** **JR** **Canton**

Ben has done a lot of the little things for our team and has the ability to knock down the open three. But his best attribute is his toughness and ability to complete.

Josh Palo **6'2** **SR** **Howell**

Phenomenal scorer and 4 year varsity starter.

Kip French **6'0** **SR** **Howell**

Great leader and a true glue guy.

Tony Honkala **6'2** **JR** **Howell**

Can shoot from anywhere and is a solid shot blocker.

Steven Morrissey **6'4** **SR** **Northville**

What a tremendous senior season for Steven. We often went as he did, and he scored in doubles every game starting in game five. He really understands the game and sees the floor tremendously well. Steven would score even more on some other teams, but balance was one of our strengths this year. We are certainly going to miss having Steven in our program; he comes from a great family, and he and his two older brothers won a lot of games for us the past 6 seasons.

Ryan Pumper **6'4** **SR** **Northville**

Ryan has started all but two games for us (the first two his Junior season) over the course of his fantastic career. He's extremely durable, and maybe the toughest player that I have ever coached. You definitely want Ryan on your team if you are in any type of competitive situation. He converted three out of every four shots he attempted from the floor and always drew one of the best players on defense for our opponents. We wish him the best!

Jiovanni Miles **6'3** **SR** **Novi**

Jio had a great all around year, and his most efficient games were our most efficient and successful games. He has a high basketball IQ, and he received the majority of attention against opposing defenses and still lead us in scoring.

Jacob Clay **6'3** **SR** **Novi**

Jacob ended the season as one of our best defensive players and one of our most valuable overall players. He is a student of the game, he willingly played multiple positions, and he always maximized his potential on both ends of the floor.

Keenan Stolz **6'3** **SR** **Brighton**

Keenan is a terrific low post player who is able to score against bigger defenders. He is a very good offensive rebounder that can finish in traffic.

Noah Bennett **6'4** **SR** **Brighton**

Noah is asked to guard every teams best player and still is able to shoot and rebound at a high rate.

Ryan Berger **6'6** **SR** **Plymouth**

Ryan has worked extremely hard to have a successful season this year. He was the focal point of many teams defenses and still was able to produce on a nightly basis. We will miss his steady presence on the block for the team next season.

Kyle Hamlin **SR** **Hartland**

Kyle has lead the Eagles in scoring and offensive rebounds this season. Has come up with big scoring games in wins this season.

Julius Nelson **6'0** **SR** **Salem**

Julius plays with tremendous heart and energy and was our lead guard this season at both ends of the court. Defensively, he was very active in the passing lanes and always guarded the other teams best guard. Offensively, Julius lead our team in assists and had a good ability to get to the basket and finish around the rim.
