Kayla Osen

8 ppg 7 rpg 5 apg 4 spg

Kayla is a 4 year varsity player who has really become the leader of our team this year. She did such a good job of controlling the game for us and creating plays for other players around her. As my point guard, Kayla embraced being the floor general and had my 100% trust to run the show.

Nasya Thomas

Churchill HS

Junior

16.6 ppg 18 rpg 3 bpg

Nasya is one of the most gifted players I've ever coached. Leading our team in rebounds, she has the ability to single handily take over a game at any given time on both ends of the floor. Nasya is only a junior so we will be looking for her to take the next step as a leader next year and expand on her success from her junior season.

She has been the heartbeat of this team for the season leading the way as a true PG. She has kept us in games and has lifted us to many wins with her amazing lockdown defense and her ability to get to the basket. As her game and knowledge of the game grow, so will the college offers.
