## **Jami Mashhour | Dearborn | Senior | Forward**

10 PPG, Led team in rebounding at 6 RPG

Jamil was our team captain, team leader and was asked to do a little of everything.

## **Abedalrahman Abu-Zahrah | Dearborn | Junior | Guard**

10 PPG, 4 RPG

Abedalrahman was probably our most consistent player in getting to the basket. He has the ability to play multiple positions.

## **Nassim Mashhour | Dearborn | Freshman | Guard**

8 PPG

Nassim led our team in 3 point makes, shooting an astounding 48% from the 3 point line - 25 of 52.

## **Luke Merchant | Stevenson | Senior | Forward**

11.3 PPG, 9.4 RPG

Luke is a 3 year varsity player who controlled the floor offensively. Throughout the year he has used his ability to drive and finish strong in traffic to his advantage. His shooting percentage is one of the highest on the team, even while taking the most shots for us. Luke has also led our team in rebounds and assists throughout this season.

## **Jacob Mars | Stevenson | Senior | Guard**

9 PPG, 4.1 RPG

Jacob is one of the purest shooters to come through our program in a while. His ability to hit tough shots makes him a focus of the defense. He has changed the swing of many games with his quick catch and release shot. Defensively Jacob has a great eye for filling the passing lanes for quick steals or deflections.

## **Ethan Young | Stevenson | Senior | Center**

7.5 PPG, 6.1 RPG, 1.3 BPG

Ethan has been a dominant force in the post this year. For being 6'7 Ethan has incredible footwork and explosive athleticism. His ability to control the paint both offensively and defensively make him a tough player to scout for. He finishes well at or above the rim, and has had numerous big dunks throughout the season.

## **Brian Tyler | John Glenn | Senior | Guard**

15 PPG and 5 Assists per game

Leader and great teammate

## **Deangelo Stoxsill | John Glenn | Senior | Forward**

17 PPG

Great program leader and player

## **Dom Ufferman | Franklin | Senior | Guard**

13.9 PPG, 2.4 SPG, 3.8 RPG

Dom has been a phenomenal three year varsity player for us. His high IQ and shooting abilities have made him a tough cover for opponents. Not only does he impact the floor offensively, but defensively he uses his length to force steals and deflections. Dom did a great job as one of the team's captains this season

## **Luke Williams | Franklin | Senior | Forward**

8.2 PPG, 4.1 RPG, 2.4 APG, 2.4 SPG, 3.9 Deflections

Luke was a major part of what we did on both ends of the floor this season. Offensively, we were able to run sets through the high post because of his IQ and passing abilities. Defensively, Luke was always in the mix, averaging just under four deflections per game. Not only did he help us as an athlete, but he was an outstanding leader for us this season.
